WATERGATE, NORTH CORNWALL

Our Surf School is located in Watergate Bay, a stunning two mile beach on the North Coast of Cornwall. Just 3 miles north of Newquay and situated on the Atlantic Highway, you'll be greeted with picturesque coastline views as you drop into the bay.

Watergate is perfectly positioned on the Northern coastline to pick up swell, and provides an excellent surfing beach, for both beginners and improvers. Popular with surfers and even hosts of the 2022 English National Surf Championships, Watergate Bay is undeniably one of the best surfing beaches in the UK.

Unlike Newquay, at Watergate you'll find less crowds and more space to surf!

TTR SURF SCHOOL

The Ticket to Ride Surf School is located right near the main car park in Watergate and just a stone's throw from the beach.

With the best equipment, changing room facilities, fully stocked Wavelength Surf Shop and quality instructors, you're all set for the best surf lesson experience from start to finish. You'll see your surfing improve in no time at all with us, as we always aim to tailor our surf lessons to the group's specific surfing needs.

THE SURFING

The Ticket to Ride surf instructors are an experienced team, all holding valid ISA Surf Instructor qualifications, as well as surf lifesaving awards. Watergate also has a dedicated lifeguard team on the beach during seasonal months, so you're in good hands!

We typically run 2hr lessons with a maximum 8:1 student:instructor ratio.

Depending on your needs, we can also run surf theory sessions to compliment the surfing, as well as arrange photo packages, beach games and much more.
